"Quizzing All Parents"

Do you know who introduced a motion at Town Meeting to provide adequate funds for a sufficient number of life guards at the Reservoir... for the safety of your children?

Do you know who introduced motions for sufficient funds to complete several of our playgrounds for the safety of your children?

Do you know who was one of the initial organizers of the Arlington Boys' Club which has provided a bulwark against juvenile delinquency in our town?

Do you know who has been a Boy Scout Committeeman every year since 1946?

THE ANSWER: GEORGE A. HARRIS, Candidate for the ARLINGTON BOARD OF SELECTMAN and endorsed by the Arlington Citizens' Committee.

Finally—Don't you think a man whose interest in the youth of our community has been so actively demonstrated, should be a member of the governing body of our town?

IF YOU THINK SO—VOTE FOR GEORGE A. HARRIS FOR SELECTMAN.

James J. Golden

A fundamental responsibility resting upon the members of our democracy is that privilege of selecting those in whom the directing of our government shall be vested. Unfortunately this responsibility rests altogether too lightly upon many of our citizen. Excuses for failure to vote range from the sublime to the ridiculous: failure to seize the opportunities provided to register until the registration period has expired—although the authorities make it as convenient and easy as possible; out of town at time of election—although arrangements can be made to record one's selection by arranging for balloting by mail, inclement weather, etc. But in the whole gamut the excuse which to us seems most ridiculous is the lack of knowledge of the qualification of candidate in local election and thus we come to the subject of this article.

Good government begins at local level, Arlington has been particularly blessed in the high quality of its officials but most local elections have been decided by 25% to 30% of those eligible to vote.

The Arlington Citizens' Committee purports to act as an impartial Committee of research and investigation to provide to the voters a list of candidates best qualified to hold the offices which they seek. Without particular previous experience in the activities of the Committee in the past, but having been convinced of the outstanding abilities of one candidate with whom the Editor has had frequent contacts in the course of reporting the affairs of the Town, we decided to take place on the sidelines and judge the merits of the claims of the Committee regarding their impartiality and desire for candidates of quality and ability by their action in this test case.

Required of Town officials in certain positions is not only complete knowledge of the position which they hold but also a smattering of knowledge of the duties of other departments and a willingness and ability to help those seeking to transact business with the Town. In other words all the qualifications of good public relations men.

Our contacts with the office of the Board of Selectmen over a period of time have brought us frequently to that office to develop items of interest of the townspeople regarding their local government. These contacts have been at all times most pleasant and fully informative due to the cooperation extended by the Secretary of that Board, James J. Golden, to the press and the public.

When a vacancy occurred in the office of Town Clerk it was our immediate thought that, in spite of the irreparable loss to the office of the Board of Selectmen, here was the ideal candidate to replace the affable administration conducted by the late Earl A. Ryder. To our surprise and pleasure the Board of Selectmen confirmed our judgment by its appointment of James J. Golden to fill the vacancy until the Town Election in March of this year. It is now a pleasure to observe that the Arlington Citizens' Committee has recognized the abilities and qualifications of James J. Golden by endorsing his candidacy for that office, thus demonstrating that those responsible for his selection and recommendation did truly exercise judgment in weighing the qualifications for the various candidates for the important position of the Town Clerk.

Washington's Birthday and Brotherhood Week

On Washington's Birthday, an American's thought turn naturally to the foundations of our republic and to the great work wrought by the Founding Fathers. Throughout a large part of today's world, people cower in terror of secret police, political judges, and summary "justice" (God save the mark!). A few words laid end to end in the "wrong" order may cost a man his head; political misstep can wipe out a whole village. We Americans enjoy the priceless protections of due process of law. Our fathers had the wisdom to guarantee us "certain unalienable right," and to root these rights in the equal creation of all men by the unchangeable God.

"All men are created equal," they said, and "are endowed by their Creator with certain unalienable Rights, (and) among these are Life, Liberty, and the Pursuit of Happiness." If this be not true-wholly and entirely and literally true—our liberties rest indeed on shifting sands. Let us remember this during BROTHERHOOD WEEK (February 20-27).

REMEMBER IT! PRACTICE IT!

Military Honors For Arlington War Hero

Captain Martin J. Vickers, United States Army, accompanied the body of his war hero brother, S-2 Benjamin A. Vickers, 18, the son of Mr. and Mrs. George Vickers, of 3 Osborne Road, Arlington as military escort when it arrived at the South Station, Boston on Monday afternoon.

Seaman Vickers was killed at Okinawa on April 8, 1945. Previous to entering the Navy, he attended the Arlington High School and enlisted on his seventeenth birthday, March 20, 1944.

Funeral services were held from the Daniel F. O'Brien Funeral Home 226 Massachusetts Avenue, Arlington, on Wednesday morning February 16, at eight o'clock, with a solemn high mass of requiem at St. Jerome's Church at nine o'clock.

In addition to his parents, and oldest brother, Captain Vickers, he leaves three brothers, George, David and Corporal Frederick J. Vickers, now in Tokyo, Japan. Two sisters also survive him. They are Betty Vickers, and Mrs. Reid Thurber, of Somerville.

Final burial will be in the North Cambridge Catholic Cemetery.

formance of leadership as indicated by results, for housing to date amounts to zero. He also questioned the sincerity of the qualifications Committee of the Citizens' Committee, as to their action so called for the endorsement of candidates to the best interests of the town. He further stated that the voters themselves will be better judges as to the qualifications for service at the town election on March 7.

The next speaker was John H. Shea, a registered architect, a resident of this town for approximately twenty-five years, who stated that in his judgment the main point at issue was the absence of housing for veterans at this date although the so-called "green light" was given to the town upon the acceptance of state legislation which made it possible for the town to proceed and provide suitable housing for veterans. He also suggested that as of that evening, the Housing Authority had purchased no land: hence how can they promise housing, as announced in a recent news release, which stated that ground would be broken "just as soon as the frost has gone."

After this particular meeting was adjourned, both Mr. Shea and Mr. Vahey were invited to participate in the open forum on housing to be held on Wednesday evening, February 23, at the Old Town Hall, Arlington, under the auspices of the Air Force Group in Arlington, headed by William Hauser, Jr.

He has recently been the model for several magazine covers, one on the November issue of "Child Life" and has just finished modelling for a billboard picture to be used all over the country on shoe polish advertising, with the well known model dog, "Feathers" who appears with him. He has modeled for fifty of the best known artists in New York City.

E. ARLINGTON BETTERMENT ASS'N ELECTS OFFICERS

At a recent meeting of the newly formed East Arlington Betterment Association, the following officers were elected.

Frank P. Silva, 39 Lafayette Street, president for the year 1949 Vice President: Paul Egan; Recording Secretary, Francis Driscoll; Treasurer, Mrs. William Harkins.

The meeting was well represented with a large gathering of civic minded citizens, who strongly em-

phasized the urgent need for such a group to bring about the many betterments which East Arlington so sorely stands in need of.

The Association meets every second Friday of the month, at 7:30 p. m. at the Hardy School. All residents of the district of voting age are cordially invited to attend the meetings.

At the next meeting on March 11th, directors for the coming year will be elected.

Citizen's Committee Endorse Only Two School Candidates

One of the surprises at the recent meeting of the Citizens Committee was the action by the members in endorsing only two candidates for the School Committee, with three to be elected. Joseph J. Bevins, chairman of the School board, on which he has served for many years, was not endorsed.

Mr. Allen, who was endorsed, is employed by the Accounting Department of the New England Tel. and Tel. Company. Mrs. Porteus, the second candidate endorsed by the Committee, is prominent in P.T.A. activities.

ACCOUNTANTS MEET ON FEBRUARY 15

The Boston Chapter of the National Association of Cost Accountants held their monthly meeting at the Boston City Club on Tuesday, February 15.

The Chairman for this meeting was Clarence B. Nickerson past President of the Boston Chapter. The guest speaker for the evening was David R. Anderson who chose for his subject "How the Controller Functions in Management."

Mr. Anderson is a graduate of the University of Pennsylvania, a Certified Public Accountant, a member of the American Institute

Branches Of Arlington Five Cents Savings Bank Observe Twenty Five Years Of Service

This month rounds out twenty-five years of service by the East Arlington Branch and the Arlington Heights Branch of the Arlington Five Cents Savings Bank, reports Edward P. Clark, vice-president and treasurer.

Arlington is a community of thrift minded people and home owners. To these people, the Arlington Five with its conveniently located branches and its main office at the corner of Pleasant Street and Massachusetts Avenue,

The following officers of the Arlington Republican 21 Club have been elected for the coming year:

Jerry Lovering, president; Harriet Cameron, vice president; Jo Anne Loud, secretary and John Lamp lough treasurer.

On the opening day of the East Arlington office at 190 Massachusetts Avenue, states Mr. Clark, there were fifty-one deposits with a total of \$1,933.75. Today this office of the bank has 8,400 accounts amounting to \$4,630,682.76.

The Arlington Heights office at 1300 Massachusetts Avenue on its opening day accepted twenty-one deposits in the amount of \$1,223.74. At Arlington Heights today, there are 5,767 accounts amounting to \$3,465,697.34.

Twenty-five years ago, the total deposits of the Arlington Five in all of its offices were \$5,049,822.57. Today, the total of deposits stands at \$22,118,173.66.

Mr. Clark points out that the large growth of the bank has been a result of its efforts to serve adequately the banking needs of the people of the community. The credit for real achievement, however, belongs to the people of Arlington and its vicinity who have created these cash reserves for the benefit of themselves and their families.

Arlington Center has been able to render valuable banking services. On the opening day of the East Arlington office at 190 Massachusetts Avenue, states Mr. Clark, there were fifty-one deposits with a total of \$1,933.75. Today this office of the bank has 8,400 accounts amounting to \$4,630,682.76.

The Arlington Heights office at 1300 Massachusetts Avenue on its opening day accepted twenty-one deposits in the amount of \$1,223.74. At Arlington Heights today, there are 5,767 accounts amounting to \$3,465,697.34.

Twenty-five years ago, the total deposits of the Arlington Five in all of its offices were \$5,049,822.57. Today, the total of deposits stands at \$22,118,173.66.

Mr. Clark points out that the large growth of the bank has been a result of its efforts to serve adequately the banking needs of the people of the community. The credit for real achievement, however, belongs to the people of Arlington and its vicinity who have created these cash reserves for the benefit of themselves and their families.

Lady!

LET THE WASHBOARD
KEEP THE WRINKLES

Nothing ages a housewife more insidiously than old-fashioned laundering drudgery. The stay-young homemaker uses the magic of electricity to do her laundry from start to finish. She knows that electric laundering guards her looks, her leisure, her linen. And she knows that electric laundering pays for itself. Here's how:—

- Clothes look better, last longer
- You save directly week after week
- Operating cost is amazingly low
- Down-payment is low
- Convenient terms help stretch budget

Remember, when it's electrical it's economical because Edison's home electric rate is lower than before the war. So, lady, start building or adding to your own home electric laundry today...

George A. Harris Reiterates Strong And Positive Stand For Reduction Of Tax Rate

LETTER TO EDITOR

Taking this occasion to reiterate his stand on the all important factor in the town's administra-tion, THE ULTIMATE REDUC-TION OF THE TAX RATE, George A. Harris, the endorsed candidate for selectman, of the Arlington Citizens' Committee has this to say:

From the evidence of my oppon-ent's statement in last week's Ar-lington papers, it appears that he has no followed my MONEY SAV-ING career on Town Meeting floor, my efforts being for the self evi-dent purpose of CURTAILING OUR TAX RATE.

Perhaps my opponent will recall if brought to his memory, these specific savings to the Town, which I worked, all of which were approved by Town meetings:

1. Opposed the first recommend ed expenditure of \$74,225.00 for Reclamation Plant;
2. The following year, again op-posed appropriation for Reclama-tion Plant, cost of which had risen to 108,400.00;
3. And the next year, for the third time I was instrumental in defeating appropriation for Recla-mation Plant, thus saving the

Town the stupendous sum of \$125,000.00.

Do those savings look like "tax and tax and spend and spend"?

I take this occasion to reiterate my stand on this all important factor in our town's administra-tion: The Ultimate Reduction of the Tax rate.

Your Citizens Committee's Endors ed Candidate for Selectman,

George A. Harris

"A RETURN TO PEACE AND HARMONY AMONG MEN, LIKE CHARITY BEGINS AT HOME. THE MODERN WORLD IS AN UNHAPPY ONE BECAUSE TOO MANY PEOPLE, INCLUDING MANY AMERICANS, ARE SUFFERING FROM MAN MADE ECONOMIC, RACIAL, AND RELIGIOUS TENSIONS.

"AT FIRST THOUGHT REMOVAL OF THESE TENSIONS MAY SEEM COMPLETELY QUIXOTIC AND UTOPIAN. BUT IF FROM THIS MOMENT WE AMERICANS WERE TO RESOLVE TO REAFFIRM OUR FAITH IN THE PHILOSOPHY OF THE DECLARATION OF INDEPENDENCE, TO MAKE IT A PRACTICAL EVERY DAY RULE OF LIFE, TO BECOME AS SCRUPULOUS IN OUR DUTIES AS WE ARE ZEALOUS OF OUR RIGHTS, WE COULD DO MUCH, THIS BROTHERHOOD WEEK OF 1949, TO HELP SHATTER THE BARRIERS OF INTERNATIONAL, INTERACIAL, AND INTER RELIGIOUS MISUNDERSTANDING THAT MAN IN HIS BLINDNESS OR PERVERSITY HAS PERMITTED TO ARISE."—VERY REV. "THE CALL OF THE NATIONAL CONFERENCE OF CHRISTIANS AND JEWS FOR THIS NEW UNITY OF AMERICANS AND MEN, EVERYWHERE, IS ONE THAT MUST BE HEARD IN OUR DAY." RABBI LOUIS FINKELSTEIN, PRESIDENT, JEWISH THEOLOGICAL SEMINARY OF AMERICA.

I WONDER?

I WONDER If Mrs. Raymond McKeever will be chosen as chairman for the "March of Dimes" drive in 1950?

I WONDER How many know that there can be no houses built for Veterans until some land has been purchased?

I WONDER Who is the beautiful looking blonde who frequents Koford's and sits at the bar while having lunch?

I WONDER Would she accept a job at the PRESS?

I WONDER If Officer Phil Sweeney doesn't keep automobiles and foot traffic moving smoothly?

I WONDER Why the broad policy of BROTHERHOOD WEEK cannot be practiced every day throughout the year?
